

Mutual Benefit

New Member Campaign

National Mutual Benefit is an organization of **people helping people** that has been providing life insurance protection and fraternal benefits for over a century. The Mutual Benefit New Member Campaign offers members the opportunity to help NMB grow and earn cash for their efforts.

How the campaign works:

1. Invite your family, friends, and associates—who believe in bringing families together, supporting our country, and helping others in need—to join National Mutual Benefit.
2. Complete, tear off, and mail the attached postage-paid recommendation form.
3. For each person you submit who becomes a National Mutual Benefit member, **you will receive a \$25 cash bonus**. Recommendations are not limited.*

**Only NMB Benefit Members (ages 16 & up) may submit recommendations. Bonuses are based on the number of people who join NMB as insured members—not on recommendations submitted. A new member's policy must remain in good standing for at least two months before the bonus is awarded (only children issued individual policies qualify as new members). Program subject to cancellation at any time.*
